

dacadoo, named a 2021 “Cool Vendor in Insurance” by Gartner, licenses its Digital Health Engagement Platform (DHEP), including its Health Score and Health Risk Quantification Solutions in a B2B2C go-to-market approach to Life & Health insurance operators globally. Available in over 18 languages, the dacadoo DHEP is provided as a fully branded, white label solution or it can be integrated into customers’ products through its API. dacadoo has over 120 employees across locations in Europe, North America and Asia-Pacific and over 30 granted patents. dacadoo is entirely committed to privacy and security, hence why it designs and operates its solutions in line with industry standards, laws and regulations such as the Swiss Federal Act on Data Protection, GDPR, and HIPAA. Its Information Security and Privacy Management System is certified according to world-renowned ISO 27001 and ISO 27701 standards.

If you’re looking for a high visibility and high responsibility role in a high growth and international environment, here is the opportunity for you:

Legal Counsel 100% (m/f)

In this global role you will be based in the Zurich office and report directly to the COO of the company.

Your Role

- Legal tasks for Locations Europe, USA and Asia-Pacific
- Close collaboration with sales team in contract negotiations with potential clients and contract renewals with existing clients (contract review and negotiations with clients, etc.)
- Maintain legal and contractual records, improve the process during the whole contract lifecycle and handle the associated administrative tasks
- Act as the data protection officer for the company, including the review of data processing, agreements processing the data access requests, maintaining the data registers and the data map, analyzing new functionalities of the application
- Support enquiries regarding any legal requirements and liaise with external lawyers
- Regulatory: monitor and implement new regulations in the relevant fields (such as medical device regulation, export control, data protection in various countries)
- Regular trainings on IT, contract and data privacy related laws and regulations to sales team
- Administrate the policies (anti-bribery, non-discrimination...)

Your Profile

- Master degree in Law
- At least 3-5 years of working experience in a similar field/discipline
- International IT and data privacy law experience (experience with GDPR and HIPAA)
- Passion for technology and technical understanding (software, cloud technologies, artificial intelligence)
- Excellent communication and organization skills
- Very organized, precise, rigorous and high level of attention to details
- Problem-solution oriented
- Ability to work independently as well as work collaboratively
- Professional, discreet and trustworthy
- Fluent in English (written and oral), German would be an asset

What we offer

- Open corporate culture with a lot of personal responsibility
- Dynamic, young and international environment
- A perfectly located office by the lake in Zürich
- Employees "get together" events

Pius Hefti, HR Manager looks forward to receiving your complete application to careers@dacadoo.com
